Volume 4, August 2010

Greetings!

Dear past and present families, students, colleagues and friends,

Jess and I just enjoyed a debut of two works at the Maine State Ballet Choreographer's Concert. Neo's return was deemed "Wonderful" by the Portland Press Herald. You can read the full review [here](#). We are now headed in to the studio to put the finishing touches on work for Massachusetts Dance Festival. We hope to see you there!

Have you checked out our new [Facebook](#) page?
